– ANNOUNCEMENT ON EFFECTS FROM EARTHQUAKE –

Dear Customers

We appreciate your visiting our home page and apprehension on the recent disaster in Japan and would like to announce as follows:

All our staffs are physically safe from the disaster and our company building has received no damage so far.

Due to intermittent blackout in Tokyo from today, as we are facing shortage of staff and local transportation services, it is difficult for us to carry out our jobs smoothly. By this announcement, we apologize for any inconvenience causing you due to delay in response, shipment and technical back-up and highly appreciate your kind understanding and cooperation.

As soon as any new fresh news become available, we will let you know.

Sincerely yours

Seikou Optical Ltd.  
Overseas Sales & Marketing Division.
